

Flow Schematic – High Strength / Large Flow

Commercial System Sizing

Project Name: _____
 Designer/Contact: _____
 Phone: _____
 Fax: _____
 E mail: _____
 Type of Facility: _____
 Design Flow:
 Measured: _____
 Calculated: _____
 Req. Sizing: _____
 Peak Flow: _____ Average Flows: _____

Waste Strength:

Influent Strength (Actual/Estimate): _____
 BOD _____ TSS _____ FOG _____ TN _____
 Effluent Strength (Proposed/Desired): _____
 BOD _____ TSS _____ FOG _____ TN _____

Note: Tank Sizing Based On Manufacturers Recommendation
